INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir:-

Replying to your letter of July 25, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly tell us where your father, Wm. Scott, was living in 1835 and how old he was at that time?

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

If your grandmother, Sally Scott, was living in 1835 and 1851, why does not her name appear on the Cherokee rolls of those dates? Were either of your parents or any of your grandparents held as slaves? If so, state whether they were owned by white people or Indians.

In reply to question 1 "Why you, your parents, or your grandparents never enrolled?" I am not able to explain.

In reply to question 2 "Were any of your ancestors ever slaves?", I have never heard that they were.

Replying to question 3, "Were any of your ancestors parties to the treaties of 1835-6 and 1846?", I can say that my Grandmother, Mary Sims, whose maiden name was Mary Sissom, and who was the wife of John Sims, and herself part indian, has often told me of"signing away" their lands in Georgia in 1835 which was the same year they moved to Alabama in company with several full blood indians. I presume her statement as to"signing away" her rights was with reference to the treaty signature. I presume they had no connection with the treaty of 1845.

In reply to question 4, "State clearly all your reasons for thinking that you are entitled to share in this fund" I beg to submit the following:

My grandfather, John Sims, was a half blood cherokee indian, as stated in my application. His daughter, Emily F.Beasley, who is also an applicant No. 21008 - is my mother. My Grandmother, Mary Sims, was the sister of Jim Buck Sissom who left Georgia with my Grandfather in 1835. He went into Mississippi. My Grandfather, John Sims, died when my mother was a small child.

I have heard my Grandmother speak of their coming from Georgia; that they lived on the Chatahootchie river there and that when they moved, Jim Buck Sissom, her brother, came with them with his family. She stated further there were a number of full blood indians. She stated that she and her husband settled in Alabama on Mud Creek about 15 miles east of Columbus Mississippi; that her brother, Jim Buck Sissom went further west to Mississippi across the Tombigbee river with the indians. She stated further they often visited her and her husband in Alabama and hunted with them etc.

Yours respectfully,

Drucilla Smitherman.

Before me Cecil A.Beasley, a Notary Public, in and for said state and county personally appeared Drucilla Smitherman, personally known to me, who says on oath that the statements in the foregoing letter, are to the best of affiants information and belief are true and correct. Was your Pump or any of the Chronometers ever built or used? If so, state whether they were ever sold or publicly used.

Do you claim any Chronometer Pump not disclosed in the references? Kindly examine the U.S. and foreign patents and answer carefully.

Very respectfully,

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors who you claim possessed Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Were you or your father or mother ever held as a slave? If so, were you owned by white people or Indians?

Kindly furnish this office with a complete history of your Cherokee ancestors.

Those of any Indian tribe having any Negro blood they would hold them as slave and would not enroll them as Indian but as slaves and that is the reason they are not on the Roll 1835. I am related to the Indian also by mother, but just how much I do not know.

In regards to applications #20971 with 20961 there was one Indian who lead the tribe known then as Pondector and some after coming on this side of the mountains some went down the Catawba River and some went down the Yadkin River and then were lead by different Chiefs and as they would mix up with Colored people, they would

become slaves and half Indian would be held as slaves just as though they were negroes and therefore were not enrolled as Indians.

Enna Manning,
Sulligent, Ala.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of these dates.

How does it happen that your father's name is Westmoreland and that of his father, your grandfather, is George Wilson?

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Was your father ever held as a slave, and if so, by whom was he owned? Were any of your other ancestors held as slaves?

Very respectfully,

Special Commissioner.

Madam:-

Your letter of recent date, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

You are advised that none of the Eastern Cherokee applications have been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors who you claim possessed Cherokee blood and who were living in 1835 and 1851, do not appear on the rolls of those dates.

Have you ever been held as a slave? Has your mother been held as a slave? If so, state whether you or she was owned by white people or Indians.

Kindly give this office a full history of your Cherokee ancestry.

Dear Sir:-

Being absent- from Hamburg when your letter came. I am just in receipt of yours of the 13th. Will endeavor to answer your questions as correctly as I can.

Martha Jackson's mother was Mary Marshal, and Martha was held as a slave by Mrs. M. M. Burrie. who was a daughter of John Higdon. Samor Thomas. died before I married into the Higdon family, which was in 1862. She was held as a slave by John Higdon. (he also died before I married into the family.) My husband told me she had every appearance of an Indian, but- I never heard him say to what- tribe she was supposed to belong! I do not- know where she was born, nor what- place she came to Mississippi. I did not- know any of her children but- Mary. Martha Jackson's mother. Mary had several children- (the were half.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name and your mother's name do not appear on the Cherokee rolls of 1835 and 1851. The information given in your application is too slight for us to form a basis of inquiry into the merits of the same and it will be necessary for you to give us a more detailed history of your ancestors who you claim possessed Cherokee blood.

Were you ever held as a slave? Was your mother ever held? If so, state whether you or she was owned by white people or Indians.

Very respectfully,

Special Commissioner.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851 do not appear on the rolls of those dates.

Where did William H. Scott live in 1835? If living on any river, give us the name of the same. How old was he at that time? Was he married and did he have any children?

Were you ever held as a slave, and were any of your ancestors ever so held? If so, state whether you or they were owned by white people or Indians.

Very respectfully,

Special Commissioner.

Dear Sir: I am living in the State of W. Va. and I suppose have made application for a share in the fund. I think if you would call at the Department of the Interior and see the application of John Sizemore of Clay Court-House, Clay County, W. Va. you can probably learn something that will do us good. I am sure he knows the full history of our case if we can only reach the proof. I think, however the proof is produced and embodied in the claims is sufficient to justify our claims in being allowed. Awaiting your reply, I am

Yours Very truly

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of the ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851 do not appear on the rolls of those dates.

Kindly set out the source through which you claim your Cherokee descent, giving the full Indian and English names of each ancestor as far back as you are able to go.

Were you ever held as a slave? Was either of your parents so held? If so, state whether you or they were owned by white people or Indians.

Very respectfully,

Special Commissioner.

James T. Guyton being first duly sworn deposes nd says:

My name is James T. Guyton, and I am 38 years of age. I live in Lee County, Miss. I was born in Lamar County, Ala. I claim my Indian ancestry on my mother's side, Her name was Isabella Marler. My mother who applied to participate in this fund died last Aug. My mother was born in Lamar County, Ala. She was born in 1847. She got her Indian blood from her father, Capus Meek Marler. He died in Lamar County, la. My grandfather's mother is where the Indian blood comes in. She was about 3/4 Cherokee Indian. Her name was Matilda Meeks, afterwards she married a Marler. My great grandmother Matilda Meeks died somewhere in the State of Tenn. She was married near Memphis, and my grandfather was born there. His name was Capus Meeks Marler. He was left by his father with the Indians(his Mother's people) when he was only six months old, and he was capture with them in the Mexican war. I do not know where my grandfather lived as a man, but he died in Lamar County Ala. s I was growing up I remember my grandfather very well. I have him say that his mother was an Indian woman of the Cherokee tribe. He looked as if he had Indian blood in his veins. My father's people were all white people. Maggie Terrell, who is now present, is my sister. I never heard of my grandfather ever getting any money from the Government on account of his Indian blood.

Martha J. Box,

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to state that your application is very incomplete in that you do not set out in logical order, the source of your Cherokee ancestry. None of the parties mentioned in your application appear on any Cherokee roll. If you claim they were on the rolls of 1835 or 1851, kindly furnish us with the names under which they were enrolled. Also trace out separately through both parents (if you claim through both) the source of your Cherokee ancestry as far back as you are able to go, giving the full Indian and English names of each ancestor.

Were you ever held as a slave? Was either of your parents ever so held? If so, state whether you or they were owned by white people or Indians.

Very respectfully,

Special Commissioner.

Martha J. Box, being first duly sworn, deposes and says:

My name is Martha J. Box and I reside at Addison, Ala. I was born in Calhoun Co., Ala. in 1856. I claim relationship to the Cherokee Indians through my Mother, whose name before she was married was Fannie Sizemore, and through my Grandmother, Martha Sizemore. My Grandmother's maiden name was Martha Lyte and she married Henry Sizemore. Henry Sizemore, to the best of my knowledge, was Shurlan Sizemore's son. My Grandfather's full name was William Henry Sizemore. My Grandfather Sizemore died on Christmas Day, 1876. Grandfather Sizemore died, probably, in Calhoun Co., Ala. He never received any money from the Government on account of being an Indian, to the best of my knowledge. My Grandparents must have lived in Calhoun Co., Ga. part of their lifetime, as I have heard my Mother speak of having gone back there to visit them. My Mother was recognized as a white woman and Grandfather Henry Sizemore was recognized as a white man. I have heard my folks talk about old man George Sizemore and Ben Sizemore and Joseph Sizemore and Lydia Sizemore and great-grandfather Shurlan Sizemore, but there were so many of them and it was so far back I can't just tell, but whether I am or not. I claim my Indian blood through my Grandfather Sizemore, as I have mentioned, on my Mother's side I also claim Indian blood through my Grandmother, Martha Lyte. She lived in Georgia and was of Cherokee. My Grandmother died in 1876. I have seen her a great many times. She was a white woman in the community in which she lived. She never received any money from the Government on account of her Indian blood. I never heard much in regard to her being enrolled. I don't know that my Grandmother ever talked about her Indian blood, but my Mother has. My grandparents lived in South Carolina and my Mother must have been born in South Carolina. My Mother has been dead about three years. She was born in 1836, and I think she lived in Calhoun Co., Ala. in 1835, and lived in Calhoun Co., Ala. in 1851. She never received any money from the Government. Nancy J. Palmer (20391) is my only sister and all of the heirs she has living.

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother, her parents and other ancestors through whom you claim your Cherokee descent, and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father? Was your mother or any of your other ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Kindly furnish this office with a complete history of your Cherokee ancestry.

I can make proof as to what has been the general report and understanding. F. M. Blalock,

New Holland,

Sir:-

Your letter of May 29, 1907, relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

You are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith, inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 23,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further proof required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

deposes and says: Callie J. Hunt,------ being duly sworn,

My name is Callie J. Hunt. I am 39 years old. I live in Gainesville, Ga., and have lived here 12 years. I was born and raised in White Co. I claim through my mother. Her name was Elizabeth Wood, and maiden name Elizabeth Johnson. My mother married twice and her name was Riley. I do not think my mother was ever enrolled, as she had very little Indian. It was my grandmother who had the most Indian. I never heard her say why she was not enrolled. My mother has been dead 6 years and was 75 years old when she died. I never heard my mother say anythung about the treaties of 1835-6 and 1846. My grandmother's name was Elizabeth, and my mother's name was Eliza. It is wrong in the application. I have heard my mother say that they lived in North Carolina, Alabama, Georgia and Tennessee. My mother went west about 13 years ago and stayed there about one year. My brother is E. S. Riley, of Dallas, Texas. My mother had some brothers. One was Madison Johnson. He went west. My grandmother was Elizabeth Blake before marriage. She was a Cherokee. I do not know that they were ever known by any other name. I never heard my mother say anything about travelling with the Indians or living with them. This is all I know about this matter. I have relatives in Jackson Co., claiming through the same line, who know more about the case. W. J. Brown, of Rome, Barney Brown, of Jackson Co., Mistress Eades and Mattie Brown.

APP. No. 21036

March 31, 1908.

William Fields,
Tulsa, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, we note you state that your mother, grandmother and brother were enrolled with the Eastern Cherokees in 1851. While some of these parties appear on said roll, there is nothing to show any family connection. Nor do we find that you were enrolled as an infant.

Kindly furnish us with the given name of your grandmother Fields, and state whether or not Tim Fields was married more than once. Also give us the names of all of the children of Tim Fields.

How do you come to have the name of Fields when your father's name is Henderson? Did any of your ancestors ever participate in any Old Settler payment? If so, state when and where and under what laws they were enrolled.

What is the number of your enrollment by the Dawes Commission and on what roll does your name appear.

Kindly reply promptly and refer to application #21036.

Very respectfully,

DR/LJC

Special Commissioner.

App. No. 21036

William Fields being first duly sworn, deposes and says:

My age is uncertain. I am in the fifties. I was born in Saline District, this state. I went before the Dawes Commission twice but was not enrolled by that Commission because there were so many people ahead of me and I just didn't wait until my turn. I got the strip and bread payment. I get my Indian blood from my mother - none from my father. Charlotte Fields was my mother. She is dead but I don't know how long she has been dead. I can remember her. She was living in Saline District at the time of her death. My mother and father lived together, but I don't know whether they were married or not. Henderson was the name of my father, but I took my mother's name. I don't know whether my parents lived together in 1851, nor in what district my mother lived at that time. My grandparents lived in Illinois District in 1851. I have an older brother named Henry Fields. He lived with us in this country until he got in trouble and then he went to Montana. He is three years older than me. I don't know whether my mother had any sisters or brothers or not. Tim Fields was my grandfather on my mother's side. Don't know the name of my grandmother on my mother's side. She was an Indian and so was my grandfather, Tim Fields. There were lots of Fields but I don't know the names of any of the brothers and sisters of Tim Fields. I have heard my grandfather talk of the old country, but I don't know what part of the East they came from, nor when they came. He always said that they were Emigrants. I have an uncle named Dick Fields. He used to live in Saline District. John Fields was a brother of my mother and he lived in Illinois District. I don't know whether my mother was enrolled in 1851 and got money or not. I never heard her talk about it. I have always associated with the Cherokee Indians. I never got any Esther benefits from any other tribe. Don't know whether my mother ever got any Old Settler money or not. I did not try for any Old Settler money because my cousins told me that I did not belong to them - that I was an Emigrant. (Applicant knows nothing of his ancestry).

Mary Ellen Davis, after being first duly sworn, deposes and says:

I am 58 years of age; was born in Kentucky. I claim Cherokee Indian blood through my mother, Sarilda Richie. My grandmother was part Cherokee Indian but do not know if my grandfather was Cherokee or Choctaw. I first heard of my Indian blood when I was a child from my parents. I do not know where my grandmother was born. She came from Kentucky to Illinois and died there. She never talked to me of her Indian blood as she only lived a couple of days after coming to Illinois. In 1866 I crossed the Mississippi from Illinois and came to Kansas. I never lived in the Territory. My mother never received any Indian money nor have I. My father tried to get some Indian money before he di d, but never got any for his children. None of us have ever gotten an allotment In 1852 we lived in Indiana. I do not know the name of my Indian ancestor who was a full blood. My mother's aunt lived with the tribe and was a recognized Indian.

Madam:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

We note you state that your grandmother, Susan Vandisher or Vandisher, should be on the rolls of 1851. Her name does not appear on any roll. Were any of your ancestors ever held as slaves?

Have you ever been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did any of your ancestors ever participate in any Old Settlement? If so, state when and where. Kindly furnish us with a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.
